MEMORANDUM FOR THE RECORD

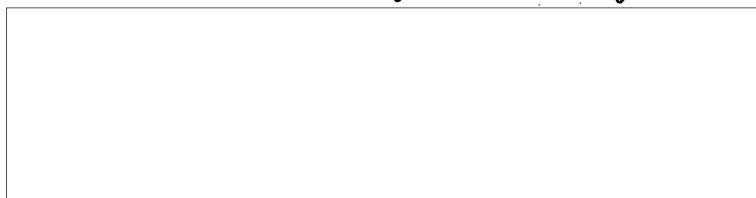

SUBJECT: Clearance for Access to Presidential
Library Material

A request was received from Colonel Shaw, Department of Army, to process clearances for members of the Historical Office, Office of the Secretary of Defense, to be granted access to CIA-originated documents in the possession of the Presidential Libraries. The names and social security numbers of these members are as follows:

After locating indications that clearances were in effect, contact was made with the Office of Security [redacted] to verify if clearances had been issued on these members.

[redacted] verified that all members had Top Secret clearances and [redacted] had TK clearances as well. Letters will be sent to the Truman, Kennedy and Johnson Libraries advising them that access may be granted. The Information Review Staff had provided such notification to the Eisenhower Library on 23 July 1975.
